ranges	rangos	chalk	tiza
Fault	culpa	Lowlands	Tierra baja
uplands	tierra altas	hilly	montañoso

## Anecdote

I was a normal and quiet day when a friend invited me to play soccer because after an hour I arrived at the park and my friend was already playing so he invited me to join his team and I accepted, after several minutes they began to warm up the party until one friend hit the other and was started fighting until they separated us all and we went home but they always looked for the fight.
