1 Connector

Connectors are used between two separate sentences. There are four types of Conjunctions: Coordinating, Correlative, Subordinating, and conjunctive adverbs (discussed elsewhere). One sentence can contain multiple types of Conjunctions, and often does.

2 linking words a linking expression (sometimes also called connecting words) are simply words and expressions that tie whole sentences, parts of sentences, phrases, or individual elements together to establish a smooth transition in a text. The term "linking" means "connecting" and stands for cohesion.
