

11

I feed on a dream island  
or fantasy

12

To make the sky love you,  
love you

13

Admire the dreams that permit  
you to fly

14

Never stop learning, because  
life never stops teaching

15

Be the best version of  
you

5 Like butterflies  
people only stay for  
a while

6 In the end, they'll judge  
me anyway so, whatever

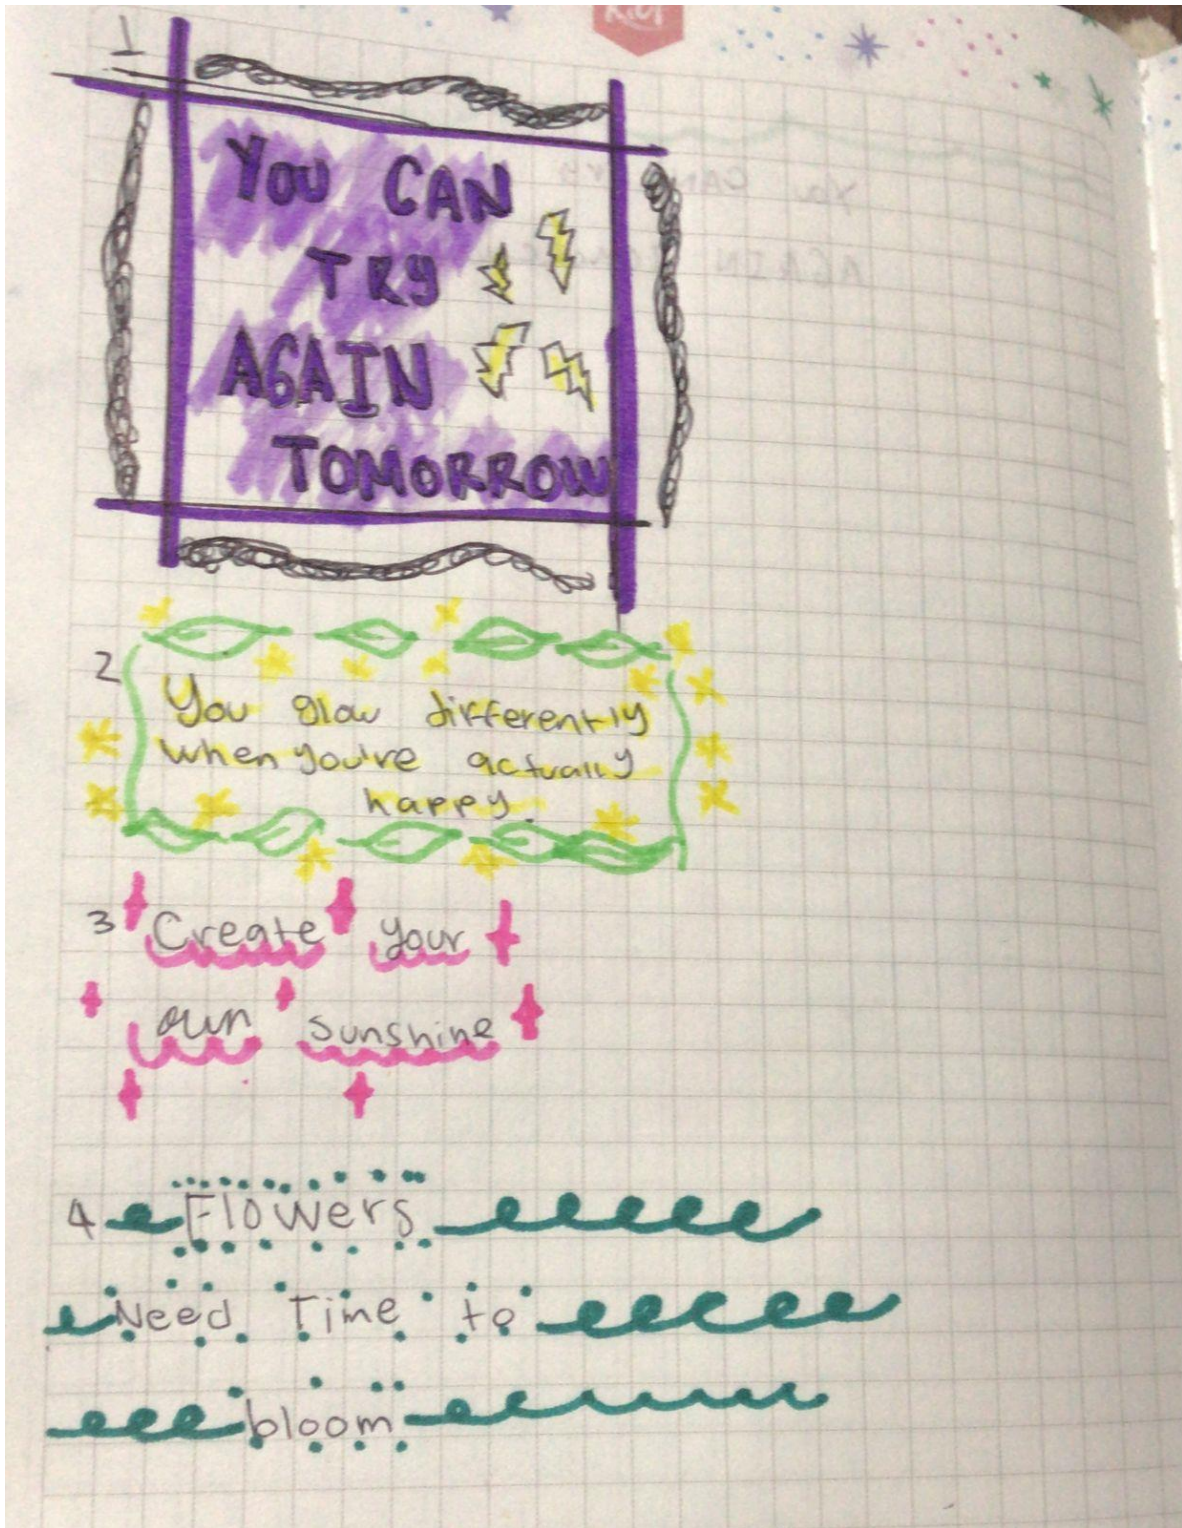

7 Sometimes even a little  
hope will guide you to  
your destination

8 Live each day like it was your last.  
The past is gone and tomorrow  
isn't guaranteed

9 When you know yourself the best,  
this world's opinion won't matter to you

10 Silence is the best  
response to a fool

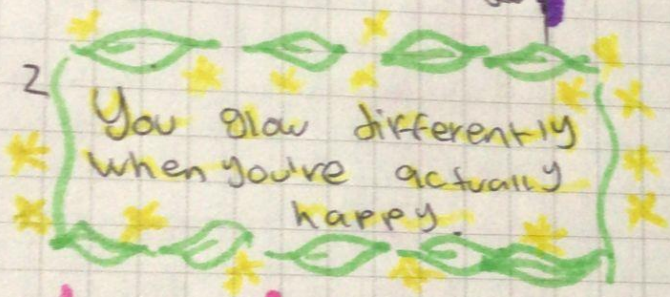

YOU CAN  
TRY  
AGAIN  
TOMORROW

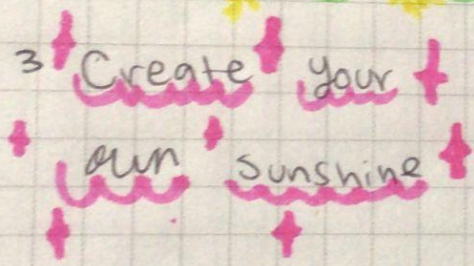

2

You grow differently  
when you're actually  
happy.

3

Create your  
own sunshine

Flowers

Need time to

bloom
