

English Phrases

Deisi Gómez

To move forward we
must leave behind the
pains of the past

Just as a building
is not built in a
day, neither is its
learning

Our heart, love, and empathy
are reflected in how we treat
our family.

When you learn to do things well,
correctly and with effort, you will
see your fruits in something like
money

When it's dark, you
can see the light
with the help of
your faithful
friends.
