OUR FATHER

Our Father, who art in heaven, Hallowed be
Thy Name thy kingdom come
Thy will be done on earth as it is in
Heaven.

Give us this day our daily bread, and
forgive us our trespasses, as
we forgive those who trespass against us.
And lead us not into temptation, but deliver
us from evil.

Amen

HAIL MARY

Hail Mary, full of grace, The
Lord is with thee. Blessed art
thou among women, and blessed is
the fruit of
thy womb, Jesus. Hail Mary,
mother of God, pray for us sinners
now, and at the hour of our
death.

Amen.

Summer rain

The worst days of any summer are the rainy ones. We spend all year looking forward to nice weather and long, hot days. All of winter, with its dreary gray days and bitter cold, we dream of those endless days at the beach, laying on the sand and soaking in the bright and burning sun. And then, summer comes, and it rains.

As a child, I would wake up to rainy summer days and come close to crying. It wasn't fair. We suffered through months of school and miserable weather for those scant few weeks of freedom and balmy weather. Any day that I could not spend at the beach or playing ball with my friend seemed like a punishment for something I didn't even do.

On those rainy summer days, I had nothing fun to do and could only sit inside, staring out at the rain like a Dickensian orphan.

I was an only child, so there was no one else to play with. My father worked from home, so I was not truly alone, but he could not actively play with me since he was technically at work. I was those days that I would resist myself to whatever was on television or any books that I could find lying around. I'd crawl through the day and pray each night that the rain would not be there the next day.

As an adult, though, my opinion of summer rain has changed. When you have to work every day, summer is not as eagerly anticipated. Mostly, the days run together, bleeding into each other so that they no longer seem as eagerly anticipated. Mostly the days run together, bleeding into each other so that they no longer seem like separate entities and instead feel like continuations.

of the same long day. Everything seems monotonous and dull and an ennui or listlessness kicks in. Such a mindset makes you cheer for anything new or different. I spend the winter dreaming of summer and the summer dreaming of winter. When summer comes, I complain about how hot it is, and then I look forward to the rain, because the rain brings with it a cold front, which offers a reprieve—admittedly one that is all too short—from the torture of 100° and humid days. Rainy days are still the worst days of the summer, but summer rain today means positively beautiful—and considerably cooler—weather tomorrow.
