Read the following text and answer the questions:

Yesterday Debbie had a job interview. She went downtown to the company. The interview was for an accounting job. Debbie graduated university 3 months ago.

The interview was at 10:00 am. She woke up at 7:00 am and left her house before 8:00 am. She waited for the bus, but it was late. She was very worried because she did not want to be late for the interview. She tried to phone the company to warn them, but her phone battery was dead. When the bus arrived, it was almost 9:00 am. Then the bus was slow because there were many other cars. The bus finally arrived at Debbie's stop at 9:45 am.

Debbie ran from the bus stop to the office building. When she entered she saw a sign that said the company was on the 24th floor. The elevator ride took almost 5 minutes because many people stopped at different floors.

When Debbie arrived at reception, it was 9:58. She was in time!

"I am here to see Mrs. Lewis" said Debbie.

The receptionist checked her book and replied:

"She is not here today. What is your name please?"

"My name is Debbie Gregson."

"Sorry Debbie, but your appointment is tomorrow."

Debbie checked her agenda. It was true. She was there on the wrong day!

MY BEST FRIENDS LIFE

I have many friends. But only two best friends. They are fond of dancing. They can dance (can/must) dance very well. They always make a scene.

I will shortly tell you about one of them. She dance (could/would) dance so well when she was little. She is 15 years old. She has danced for 10 years, but now she cant do it (can't/ shouldn't) do it. Because is not allowed to dance, because

she has a problem with her legs. For the first time she danced. But then her legs started achin. Then she asked for advice to her mother. Mother sent her to doctor. And request her to really go. When she came to doctor she showed him her legs. The doctor **prescribed** her tablets. The Alesja asked him for permission to dance. Because she really needed to dance. The doctor said to her that that now she cant (can't/wouldn't) dance but in the future she **might** dance.

Now she is okey and she can dance. The doctor gave her permission for that. We are very happy that this situation ended well.
