1 Read the text and fill in the gaps with the correct option.

Coffee is popular around the world. (0) over the past centuries, few subjects have been as carefully studied as coffee. Its (1) much important component is caffeine and it has lots of benefits. Coffee has been well-known (2) during the beginning of the 14th century, (3) when Sufi Yemenis started using coffee to stay alert during special activities. It became a popular medicine (4) among Europeans in the 1600s. Caffeine was first (5) described in the 1800s by Ferdinand Runge, a doctor that found out some effects that coffee has on people. Some people say (6) drink coffee isn't good, but doctors say you (7) mustn't believe this. Thanks to caffeine you don't get hungry. Coffee can also reduce headaches and blood problems. (8) while many people believe coffee is bad, studies show it is good for your heart.

and enjoyed being famous. Deborah Treisman and Michael Agger have talked about Salter. Nick Paumgarten in *The Last Book*, describes Salter's opinion about his film career: "Of sixteen texts for movies, only four were popular. There was money, attractive women, and entrance into rooms where there were stories more for the dinner table than for the page." Salter thought he was wasting his time. Perhaps he wasted his time in a larger artistic way, but it still makes for attractive reading. *The Last Book* is available to everyone in online stores.
