LEVEL 2

Try turning your bot!

SPACE - CONTINUE

LEVEL 3

*Jumping can get you
over barriers!*

SPACE - CONTINUE

The image shows a 2D platformer game level. A central text box is overlaid on the scene. The level consists of a grey ground plane with several grey platforms. Two vertical paths of circular platforms lead upwards. The text box is dark grey with rounded corners and contains white text. The background is a light grey gradient.

LEVEL 4

*Jumping can also get you
to new heights!*

SPACE - CONTINUE

LEVEL 5

Get it now?

SPACE - CONTINUE

A diagram of a film strip with a central black box containing text. The film strip is oriented vertically and has two rows of sprocket holes on each side. The central black box is rectangular with rounded corners and contains the text 'LEVEL 6' in white, followed by 'Not enough space? Try creating Functions and using F1 and F2' in white, and 'SPACE - CONTINUE' in green. The background is a dark, textured surface.

LEVEL 6

Not enough space? Try creating
Functions and using F_1 and F_2

SPACE - CONTINUE

The image features a stylized illustration of a film strip running vertically through the center. The film strip is depicted with two parallel lines representing the edges and a series of small circles representing sprocket holes along both sides. A dark, rounded rectangular box is superimposed over the middle of the film strip, containing text. The background consists of several horizontal, semi-transparent grey bands.

LEVEL 7

RE-USING functions is great
for **REPETITIVE** tasks!

SPACE - CONTINUE

LEVEL 8

Putting the "fun" back
in "functions"!

SPACE - CONTINUE

The image features a central black rounded rectangle with white text. This rectangle is superimposed on a stylized, perspective-view illustration of a film strip. The film strip is represented by two parallel lines that converge towards the top and bottom, with a series of white circles along each line representing sprocket holes. The background is a light gray with faint horizontal lines.

LEVEL 9

***Now you're thinking like
a programmer.***
