

3 The past tense is used for any action that occurs before the present. The present tense is used for whatever is happening in these moments or general statements. The future tense is used for everything that will happen at any time after the present.

solution

1	present	past	future
	I watch tv	I watch tv	I will watch tv
	I was watching tv	I am watching tv	I will be watching tv
	I has watch tv	I have watch tv	I will have watch tv
	I has been watching tv	I have been watching tv	I will have been watching tv

2

tiempo verbal	función
simple present	hechos generalizadores y verdades que no se ven afectados por el paso del tiempo
simple past	acontecimientos terminados en el pasado
simple future	eventos que se completaron en el futuro
