Coffee

Coffee is popular around the world. **(6)** Over the past 13 centuries, few subjects have been as carefully studied as coffee. Its **(9)** most important component is caffeine and it has lots of benefits.

Coffee has been well-known **(10)** since the beginning of the 14th century **(11)** when Sufi yemenis started

using coffee to stay alert during special activities. It became a popular medicine (12) among Europeans in the 1600s.

Caffeine was first (13) described in the 1800s by Ferdinand Runge, a doctor that found out some effects that coffee has on people.

Some people say (14) drinking coffee isn't good, but doctors say you (15) mustn't believe this. Thanks to caffeine you don't get hungry. Coffee can also reduce headaches and blood problems. (16) while many people believe coffee is bad, studies show it is good for your heart.

James Salter's Days in film

James Salter was a pilot in the United States Air Force. He abandoned the military profession in 1957 after the publication of his first novel, *The Hunters*. He is best known as a novelist, but during the sixties and seventies, he worked in film making. Salter made documentaries, wrote texts for films, and even was the director of a film called *Three*, starring Charlotte Rampling and Sam Waterston.

In *Passionate Falsehoods*, which was adapted from Salter's book *Burning the Days*, published in *The New Yorker* in 1997, Salter tells the story of his life in film.

Salter's time in the film world is both good and bad. In Rome, he met directors and stars. In New York, he explored the city with Robert Redford and enjoyed being famous. Deborah Treisman and Michael Agger have talked about Salter. Nick Paumgarten in *The Last Book*, describes Salter's opinion about his film career:

"Of sixteen texts for movies, only four were popular. There was money, attractive women, and entrance into rooms where there were stories more for the dinner table than for the page." Salter thought he was wasting his time.

Perhaps he wasted his time in a larger artistic way, but it still makes for attractive reading. *The Last Book* is available to everyone in online stores.

Swift Pizza Sandwich House

Today we have the pleasure of showing you the best letter written by our customer Mark. He wins 25 for writing about us this week. He is so happy with the orders at Swift Pizza and Sandwich House that he wants to declare a holiday to celebrate his experience here: "happy burgarday and Merry Sandwichmas to everyone" he wrote.

On a typical day I was too tired after working all day long to cook for myself, and I was very hungry, I really wanted something to eat, so I decided to find a burger.

I ordered a half-pound burger and a bomb and chicken sandwich. I also made some special orders for extra cheese and vegetables.

Food arrived very fast and was hot and fresh. The burger was delicious, and left me wanting more. Fortunately, I had the sandwich left. It felt as if it had been cut just a minute before I opened it - juicy, fresh, and great.
