"Past Simple = Regular and irregular verbs"

1. Put the verbs in brackets into Past

2021/03/05 13:26

Is a verb tense which is used to show that a completed action took place at a specific time in the past. The simple past is also frequently used to talk about past habits and generalizations.

Examples: I studied at the university the last year

I went to Germany the last vacation

I visited my parents yesterday

She traveled to USA two years ago

He wrote a text in this English notebook

Eddie ate rice and beans

Past Simple Tense

We use the past tense to talk about:

1. Something that happened once in the past:
2. Something that happened again and in the past:
3. Something that was true for some time in the past:

Examples: I lived abroad for ten years

He enjoyed being a student

She played a lot of tennis when she was younger

I spoke with my friends the last night

In English, you can find two kinds of verbs: regular and irregular. You need to know the next rules for that.
