Activity

My wife and I have **travel** as much as possible since we retired. We've **visited** cousins in Australia, and we **been** to New Zealand twice. We've also **went** on safari in Africa. We've been to Europe a lot. Gina and I **has** spent time in Paris, in Madrid, and in several cities in Italy. We **haven't** to Eastern Europe yet, though. We hope to **visit** Prague and Budapest next year.

My sister Betty was born in the United States, and she has never traveled outside the country - except once when she was very young. But she **have** been to a lot of places in the U.S. She has **visited** most of the national parks: The Grand Canyon, Yellowstone, Yosemite, and so on. She has been to all of the big cities too. In fact, she **is** **lived** in four different cities in the U.S.: New York, Boston, Los Angeles, and San

Francisco. I think she **seen** more of her own country than most people.
