

Have $\left\{ \begin{array}{l} \text{We} \\ \text{They} \\ \text{You} \end{array} \right.$ spoken in a conference

- 1) Have they visited to London?
- 2) Has she understood to lesson?
- 3) Have we written an essay?
- 4) Have I travelled to U.S.A?

My wife and I have travel as much as possible since we retired. We've visited cousin in Australia, and we been to new zeeland twice. We've also went on Safari in Africa. We've been to Europe a lot. Gina and I has spent time in paris, in Madrid. and several cities in Italy. We haven't to Eastern Europe yet, though. We hope to visit Prague and Budapest next year

My sister Betty was born in the united states, and she has never outside th country-except once when she was very young. But she have

been to a lot of places in the U.S.A.
She has **visit** most of the National
parks: The Grand Canyon, Yellowstone,
Yosemite, and so on.

She has been to all of the big
cities, too. In fact, she **is lived** in
four different cities in the U.S.A. New
York, Boston, Los Angeles, and San
Francisco. I think **she seen** more of
her own country than most people.
