

1  Three sets of red spiral lines on a lined background. The first set is a continuous spiral starting from the left. The second and third sets are shorter spirals, each starting with a red arrow pointing to the left.

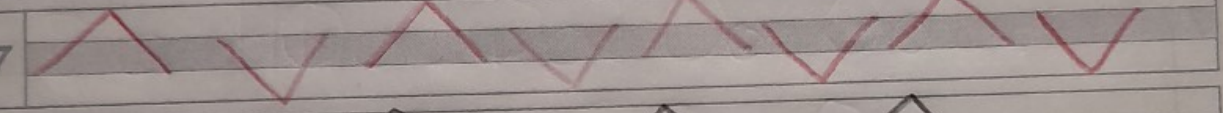

2  Three sets of black spiral lines on a lined background. The first set is a continuous spiral starting from the left. The second and third sets are shorter spirals, each starting with a black arrow pointing to the left.

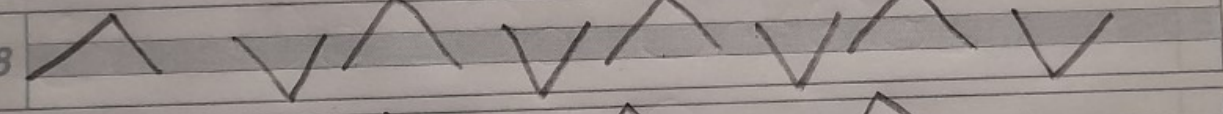

3  Three sets of black spiral lines on a lined background. The first set is a continuous spiral starting from the left. The second and third sets are shorter spirals, each starting with a black arrow pointing to the left.

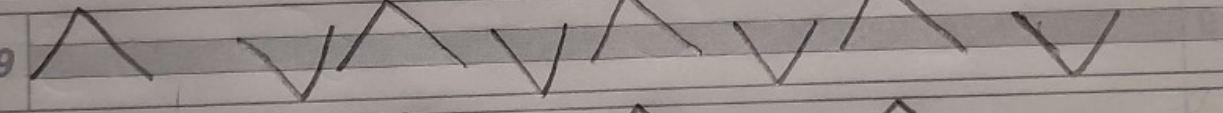

4  Three sets of black spiral lines on a lined background. The first set is a continuous spiral starting from the left. The second and third sets are shorter spirals, each starting with a black arrow pointing to the left.

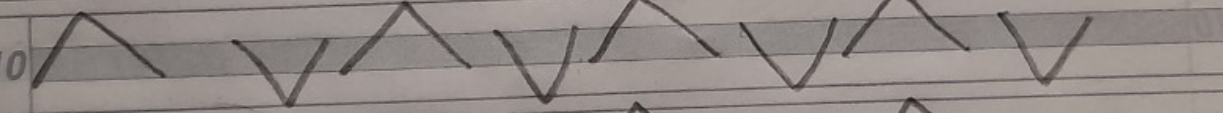

5  Three sets of black spiral lines on a lined background. The first set is a continuous spiral starting from the left. The second and third sets are shorter spirals, each starting with a black arrow pointing to the left.

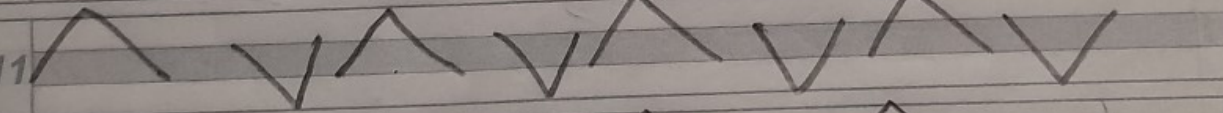

6  Three sets of black spiral lines on a lined background. The first set is a continuous spiral starting from the left. The second and third sets are shorter spirals, each starting with a black arrow pointing to the left.

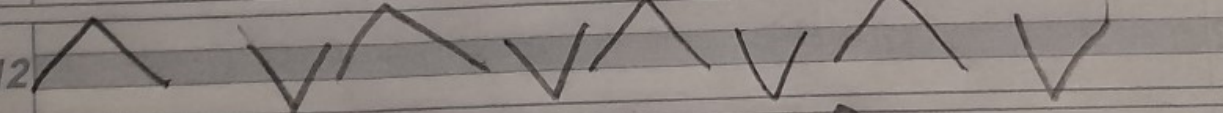

7  A single red zigzag line on a lined background, consisting of a series of connected peaks and valleys.

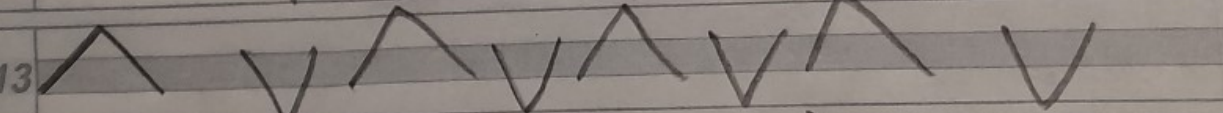

8  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.

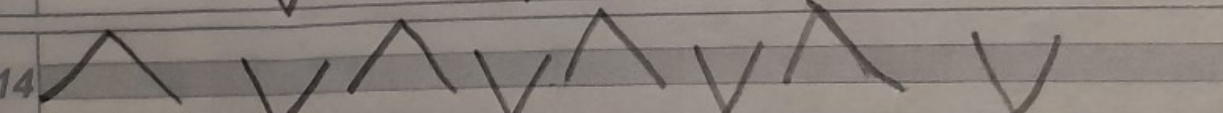

9  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.

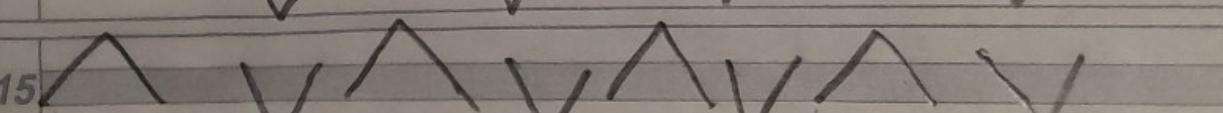

10  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.

11  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.

12  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.

13  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.

14  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.

15  A single black zigzag line on a lined background, consisting of a series of connected peaks and valleys.
