Swift Pizza and Sandwich House

Today we have the **pleasure** of showing you the best letter written by our customer Mark. He wins £25 for writing about us this week. He is so happy with the orders at Swift Pizza and Sandwich House that he wants to declare a **holiday** to celebrate his experience here: "Happy burgerday and Merry Sandwichmas to everyone!" he wrote.

Wednesday May 18, 2011. One typical day I was too tired after working all day long to cook for myself, and I was very hungry. I really wanted something to eat, so I decided to find a **burger**.

I ordered a half-pound burger and a lamb and chicken sandwich. I also made some special orders for extra cheese and vegetables.

Food arrived very fast (less than twenty minutes) and was hot and **fresh**. The burger was delicious, and left me wanting more - fortunately I had the sandwich left. It felt as if it had been cut just a minute **before** I **opened** it - juicy, fresh, and great.

Every single special request I made was completely satisfied, 100%!

And the best thing was that all of the above and some drinks cost me ONLY 10 dollars! If that doesn't say **value** for money, I don't know what **does**.

It certainly feels great to **find** new excellent food **delivery** companies for whenever you don't feel like cooking **yourself**. I recently had a sad experience with my usual take away restaurant, so I **decided** to change to **something** else - and on my first try I got what I wanted! Order now from Swift Pizza and Sandwich House.

My Artistic Adventure

When I was a child in **Ireland** I went to bed late, and I could not sleep past six. One morning, I found a Spanish television show with a French man who was painting a beautiful countryside with oil paints.

Right then, I began watching this show. With his quiet voice he explained his natural way of painting, and he quickly made trees and rivers, simply by moving his hand **across** the paper. He made it look simple and easy, so I thought I could do it by myself.

Every Sunday morning, I would try to paint what he was painting on the screen, but I needed oil paints to make my **paintings** as beautiful as his. I could not buy oil paints; I was only seven, and my parents would not buy them for me. Then I decided to use my mother's cosmetics and paper for my painting. I was **ready** to paint my first picture.

After my mum saw what I did with her things, I was told I could not paint again. This put an end to my idea of using food the next time to make a **picture**. After a while, I stopped watching the French painter. It was difficult for me to simply watch him when I was **sensible** to paint my own picture.
