MY BEST FRIENDS LIFE

I have many friends. But only two best friends. They are fond of dancing. They

Can (can/must) dance very well. They always make a scene.

I will shortly tell you about one of them. She Could (could/would) dance so well when she was little. She is 15 years old. She has danced for 10 years, but now she

Can't (can't/ shouldn't) do it. Because is not allowed to dance, because she has a problem with her legs. For the first time she danced. But then her legs started achin.

Then she asked for advice to her mother. Mother sent her to doctor. And request her to really go. When she came to doctor she showed him her legs. The doctor prescribed her tablets . The

Alesja asked him for permission to dance. Because she really needed to dance. The doctor said to her that that now she Can't (can't/wouldn't) dance but in the future she might dance.

Now she is okey and she can dance. The doctor gave her permission for that. We are very happy that this situation ended well.
