There are nine errors in the text. Please find out and underline with Green color. After that it rewrites again with the adjustment

My wife and I have travel as much as possible since we retired. We've visited Cousins in Australia, and we been to New Zealand twice. We've also went on Safari in Africa. We've been to Europe a lot. Gina and I has spent time in Paris, in Madrid, and several cities in Italy. We haven't to Eastern Europe yet, though. We hope to visit Prague and Budapest next year.

My sister Betty was born in the United States and she has never traveled outside the country - except once when she was very young. But she have been to a lot of places in the U.S. She has visit most of the National Parks: The Grand Canyon, Yellowstone, Yosemite, and so on. She has been to all of the big cities, too. In fact, she is lived

in four different cities in the U.S.: New York, Boston, Los Angeles, and San Francisco. I think she's seen more of her own country than most people.
