

My wife and I have **traveled** as much as possible since we retired. We've visited **countries** in Australia, and we **been** to New Zealand twice. We've also **went** on Safari in Africa. We've been to Europe a lot. Gena and I **has** spent time in Paris, in Madrid, and several cities in Italy. We **haven't** been to Eastern Europe yet, though, we hope to visit Prague and Budapest next year.

(My sister Betty was born in the United States, and she has never traveled outside the country - except once when she **is** lived in four different cities in the U.S.: New York, Boston, Los Angeles, and San Francisco. I think she **seen** more of her own country than most people.)

My sister Betty was born in the United States, and she has never traveled outside the country - except once when she was very young. But she **have** been to a lot of places in the U.S. **has** visited most of the National Parks: The Grand Canyon, Yellowstone, Yosemite, and so on. She has been to all of the big cities, too. I **each**, she **is** lived in four different cities in the U.S. New York, Boston, Los Angeles, and San Francisco. I think she **seen** more of her own country than most people.
