My name's Fred, I live in London and I'm 13 years old. I wake up at 7 and I usually get out of bed about 7:30. Then I come downstairs and have breakfast.

Usually I have cereal for breakfast with orange juice.

But sometimes I have a toast with usually jam or honey. Then I pack my bag for school. I walk because my school's only... is only in the centre of the town where I live. So it's only 15 minutes' walk in the morning which is good because it means I can sleep later.

The school is quite old, it's been a school for about 400 years. And it's got about a 1000 students there in 7 age groups and it's only boys there. School starts at 8:30 and then we have two lessons which go

until 10 = 15. 10 = 45 we have break for 15 minutes. Then  
11 till 12 = 40 we have two more lessons, and then  
lunchtime. I can go into town to get my lunch, but most  
people have to stay in the school. And eat the  
school food and British school food isn't very nice.  
Then we have two more lessons after lunch and we  
finish school at 3 = 30. Usually I come home and I  
just sort of relax for a bit, and that's usually for  
maybe an hour. I read or I watch television. My  
mum gets home about... usually between 5 = 30 and 6.  
And so we'll usually eat dinner about 6 = 30.
