Speak up!

Adults like to say that the opinions of kids and teenagers don't matter that much. Well, they're wrong! Your opinion is very important and you have the right to say it. If you feel happy, sad or angry, say it! But remember that it is always important to respect the ideas of others.

It is crucial to say what you think and what you feel, because it will make you a unique person, with your own opinions about things. Don't let anybody make you think that your voice can't be heard or listened to.

Take the time to listen to your friends too. The best way of learning about somebody is to listen to what they have to say.

Remember: Your best weapon is your voice. Use it!
