

too

- You work very hard and he do too.
- You could stay there all summer and I could too.
- I could work tonight and you could too.
- He will be here and she will too.
- We had seen the new movie and they had too.

Enough

- Are there enough sodas in the fridge?
- There aren't enough people on the team.
- There's enough money in my account.
- There's enough space in the universe.
- There aren't enough plates on the table.
